From

The President, Dist Board, Hassan
I forwards for sanction on
estimate for Rs 985/- for constructing
an out-house to the Kusalakhanah
near the Civil Hospital at Hassan
the cost being met from the
provision made under Public works
in the current year's Budget of the
Dist Board:

The original estimate was for
Rs 1050/- The Executive Engineer's
sanctioning has reduced the cost to Rs 985/-
The estimate as revised does not appear
to have been before the Board.

But for order.

21/12 2) As observed in a letter
Similar to the Executive
Engineer has in his letter
of 14/11/25 after passing the
budget for Rs 985/- remarked
that the President may allow
higher rates if necessary
for Mangalore tiles, Gudeppu
slabs & burnt bricks
churnam. The estimate
passed by the Executive
Engineer may perhaps be
sanctioned with the above
observation.

Returned, with compliments, to the Secretary to Government, Local and Legislative Departments.

The Establishment and Tools and Plant charges are to be paid by the District Board although not specifically provided for in the estimate and are calculated at $17\frac{1}{2}$ and $\frac{1}{2}$ per cent respectively. The Executive Engineer while sending up the statement of expenditure to the President for adjustment usually includes therein provision for such charges. The President in turn issues a crossed cheque for the amount. The charges on work portion in this instance amount to Rs 177.

The president of the District Board has not specified his reasons except that the work is near the town of Hassan for waiving the levy of the Establishment and Tools and plant. I do not see any justification to the charge in question being waived because the necessary supervision has to be exercised notwithstanding the proximity of the building to the town.

B. Nagappa, Esq., Bar-at-Law.,
Secretary to the Government of His Highness's Maharaja
of Mysore, Local & Legislative Departments,
Bangalore.

Through the Deputy Commissioner, Hassan District.

Sir,

In forwarding herewith an estimate for Rs 985 in duplicate for constructing an out house to the Musafirhana near the Civil Hospital at Hassan, as scrutinised by the Executive Engineer, Hassan Division, together with an extract from the proceedings of the meeting of the District Board, held on 24th October 1925, I have the honor to state that owing to the insufficiency of accommodation in the musafirkhanas and in order to keep the main building clean, the question of constructing a separate outhouse to the said musafirhana was considered by the Board and provision was accordingly made in the budget estimates of the Hassan District and Taluk Boards to meet the cost of such construction. The Board also has approved of the estimate, at its meeting held on 24th October 1925.

I therefore request that you will be so good as to kindly obtain early sanction of Government to the said estimate, the cost being met out of Rs 1000/- provided under "B", Public Works, in the budget estimates of this Board, for the current year.

I have the honor to be,
Sir,
Your most obedient servant,
